annual rent by the Government to the extent the Government elects to continue such services during the Extension Term.

4. **Condition of Premises.** The Government agrees to accept the Leased Premises and the Building Shell Requirements as "existing", subject to the Lessor's representation that such items are in good repair and provide a tenantable condition. The intent of this qualification is to recognize that the Government finds such items or conditions to be at least minimally acceptable with regard to the Government's occupancy of the space. Nonetheless, such items or conditions are to be "in good repair and tenantable condition" at the time of the Extension Term Commencement Date. The acceptance of the Leased Premises "as existing" does not relieve the Lessor from the obligation in the Lease to maintain and repair the building shell and life safety in compliance with the standards set forth in the Lease. Further, Lessor is under no obligation to provide the Government any Tenant Improvement Allowance in connection with the Extension Term and no cyclical re-painting or re-carpeting of the leased space shall be required during the remainder of the lease term as hereby extended.
5. **Operating Costs.** Effective January 12, 2023, the base for operating cost adjustments during the Extension Term shall be reestablished as (b) (4). Annual operating cost adjustments, pursuant to Paragraph 3.6 of the SFO, shall continue during the Extension Term with the first adjustment due as of January 12, 2024, the first anniversary of the Extension Term Commencement Date.
6. **Real Estate and BID Taxes.** The base for real estate and BID tax adjustments during the Extension Term shall be reset to the taxes assessed and paid for District of Columbia Fiscal Year 2023 (October 1, 2022 to September 30, 2023). The Government will continue to pay adjustments in the real estate and BID taxes, pursuant to Paragraphs 3.4 and 3.20 of the SFO. In the event the Lessor elects to seek a reduction in the tax assessment, the cost of seeking such reduction, provided it is based on a percentage of the tax savings achieved, shall be included in the applicable tax billing as part of the assessed and paid taxes. The Government's percentage of occupancy shall remain at 99.03% (Government leased space of 477,473 BRSF divided by the total Building space of 482,150 BRSF).
7. **Parking.** Effective January 12, 2023, the annual parking rent shall be \$977,517.31. The parking rent shall be subject to escalation of 2.0% annually during the Extension Term with the first escalation due on January 12, 2024.
8. **Commission and Commission Credit.** Savills, Inc. (Broker) is the authorized real estate broker representing GSA in connection with this lease transaction. The Lessor and Broker have agreed to a cooperating lease commission of two percent (2%) of the lease value for the Extension Term (exclusive of parking). The total amount of the Commission is agreed to be (b) (4) and shall be deemed earned upon execution of this Lease Amendment. Only (b) (4) of the Commission, will be payable to Broker with the remaining (b) (4) (the "Commission Credit") to be credited to the shell rent portion of the annual rental payments due and owing beginning as of the first full month of the Extension Term. The portion of the Commission payable to Broker shall be paid (b) (4) upon complete execution of this Lease Amendment and (b) (4) (b) (4) on or before December 15, 2022. The shell portion of the rental payments due and owing for the month of February 2023 shall be reduced to fully recapture the Commission Credit as indicated in this schedule for adjusted Monthly Rent:

February 2023 Rental Payment of (b) (4) minus the Commission Credit of (b) (4) equals (b) (4) adjusted rent for February 2023.
9. Lessor agrees to all terms in the attached "Exhibit A" – FAR Clause 52.204-25 "Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment" and "Exhibit B" – GSAR Clause 552.270-34 "Access Limitations for High-Security Leased Space". Attached as "Exhibit C" is a completed Foreign Ownership and Financing Representation Form for High-Security Leased Space. For purposes of Exhibit B, the Government hereby agrees that the Lessor and its property management company and the various contractors and subcontractors of the property management company, who provide maintenance, operating, repair and cleaning services for the leased space shall continue to have access to the leased space in accordance with the existing security and access protocols and procedures under the current Lease, which shall remain in full force and effect

This document will not constitute a payment obligation until the date of execution by the Government. As a result, even though payment may be made retroactively, no rental payments are due under this agreement until (30) days after the date of execution.
